

# FRANCISCO BAVARO

Full Stack Web Developer

Name: Bavaro León, Francisco José  
Location: Barcelona, Spain  
Phone: +34-672-109-238  
Email: fbavaro56@gmail.com

I have more than 10 years of experience developing a wide variety of web solutions, from simple websites to complex hotel management systems (PMS), access control, interfaces for checkin and parking machines, connection with many services, Google Apis, geolocation and accounting data processing. I consider myself a very professional and proactive person in my environment.

---
